

The **San Diego Public Library**  
invites you to a preview screening of

# EVERY MOTHER'S SON

by Tami Gold &  
Kelly Anderson

In the late 1990s, three victims of police brutality made headlines around the country: Amadou Diallo, the young West African man whose killing sparked intense public protest; Anthony Baez, killed in an illegal choke-hold, and Gary (Gidone) Busch, a Hasidic Jew shot and killed outside his Brooklyn home. "Every Mother's Son" profiles three New York mothers who unexpectedly find themselves united to seek justice and transform their grief into an opportunity for profound social change.

Sharon Elise, Ph.D., from the Sociology Department at California State University, San Marcos, will facilitate a discussion following the screening.
